

SIR-TAINLY PLEASED

■ Members and guests of the Sons In Retirement, an all-male service organization also known as the SIRS, applaud the music of Juliette Hamel and the Placer High School Jazz Band Thursday during the group's Ladies Day Luncheon at The Ridge golf course. Some 200 people attended the event.

"We try to make it a little more festive because we have the ladies here," says president Bill Lorimer, also known as "The Big SIR." There are two local Sons in Retirement groups — Branch 37, which meets on the first Thursday of each month, and Branch 79, which meets on the third Thursday of each month. Meetings typically start at 11 a.m. at the Auburn Elks Lodge, 195 Pine Ave., in Auburn.
